

PROMOTING RESPONSIBLE TRAPPING

North Carolina Trappers Association

Along with preserving and promoting responsible trapping, some of the NCTA's goals are:

- To establish responsible trapping seasons and fair, impartial laws for the harvest
- To train trappers in proper trapping methods, safety, and woodland skills
- To develop better relationships between landowners and trappers
- To promote the conscientious use of renewable natural resources
- To help conserve our wildlife and to preserve their natural habitat
